

**Happy Father's Day!**

My Dad loves me strong and sure,  
Modeling God's love so good and pure.  
My Dad keeps me safe and shows he cares,  
Teaching me skills, no one else compares.  
My Dad believes in who I'll become,  
Encouraging me and being my chum.  
My Dad holds my hand, off we go,  
Walking side by side as I grow.  
My Dad is the best in this whole nation,  
Made just for me, God's awesome creation!

I love you!
